A court statement that no debt collection or enforcement has been made against the applicant during the last 2 years must be submitted of all interested parties with the application (the original and no older than 3 months). The rental deposit as a rule amounts to a maximum of 3 months gross interest. With their signature the interested rental party authorizes the administration to request information from the previous landlord, from the employer and from the enforcement office and confirmed with the signature also to have specified all the information truthfully. Should the interested rental party be provided with a rental agreement as a result of the attached application form and the interested rental party then does not sign the agreement, the interested rental party then owes Apleona Real Estate SA financial compensation for the creation of the rental contract to an amount of CHF 200.-- excl. VAT.
